CULTURE TRIP

What do you know about the UK?

-  **1 Listen and find the countries on the map.**

THE UNITED KINGDOM

- 2 Work in groups of four: A, B, C and D. Each group reads its paragraph. Then it answers the questions and reports to the class.**

England

Group A

England is the largest country in the United Kingdom. Its capital is London. People sometimes wrongly use it as a synonym of the whole United Kingdom. This is not only incorrect but can cause offence to people from other parts of the UK. England is famous for lots of things – its castles and historic houses, football stars, pop stars, universities, food, pubs and so on. 23rd April, St George's Day, is the national day of England. Some people wear a red rose on St George's Day. The rose is the national emblem of England. England's national animal is the Lion.

Wales

Group B

Wales (Cymru /'kʌmri/ in Welsh) is a mountainous country on the western side of the UK. Its capital is Cardiff. Wales is known for its rich culture and male voice choirs. The national game of Wales is rugby.

1st March, St David's Day, is the national day of Wales. On this day, Welsh people wear daffodils or leeks. These plants are the national emblems of Wales. The national animal of Wales is the Red Dragon. It is on the Welsh flag.

Scotland

Group C

Scotland is a mountainous country in the north of the UK. It also has lots of islands all around its coast. Its capital is Edinburgh /'edɪn'b(ə)rə/.

Scotland is famous for its fresh water lochs /lɒks/ (lakes). The most famous is Loch Ness where, people say, the mysterious monster Nessy lives. Scotland is also famous for its kilts, medieval castles, as well as for the poetry and songs of Robert Burns. 30th November, St Andrew's Day, is the national day of Scotland. On this day, people wear a thistle – the national flower of Scotland. The national animal is the Unicorn.

Northern Ireland

Group D

Northern Ireland is situated in the northeast of the island of Ireland. Its capital is Belfast. Northern Ireland is famous for its musical and artistic traditions. A lot of famous actors, musicians and writers such as C.S. Lewis, the author of 'Chronicles of Narnia', were born in Northern Ireland. Northern Ireland is also known for its sports, especially golf and fishing.

17th March, St Patrick's Day, is the national day of Northern Ireland and the Republic of Ireland. On this day, Irish people wear shamrocks. The shamrock is the national emblem of both Northern Ireland and the Republic of Ireland.

Verse 1:

London's the capital everyone knows,
London's so famous that everyone goes
To ride boats on the Thames, the Eye in the sky,
And watch as all the Queen's soldiers march by.

Verse 2:

But London's not England; there's lots more to do:
See stone circles at Stonehenge and Avebury, too.
There's Salisbury Cathedral, the Minster at York.
The Lake District's pretty – a great place for a walk.

Chorus:

On a trip to the UK you can see many sights,
Check on the Internet and book your flights.
Visit Ireland, Scotland, England and Wales:
The journey will leave you with many fine tales.

Verse 3:

Wales is a country of castles and sheep,
Its big mountain Snowdon is really quite steep!
You can sit on the beaches and surf in the sea
Or watch a good game of exciting rugby.

Chorus:

On a trip to the UK you can see many sights,
Check on the Internet and book your flights.
Visit Ireland, Scotland, England and Wales:
The journey will leave you with many fine tales.

Verse 4:

Up in the north Scotland's mountains are high,
And if you want luck, there's heather to buy.
Its islands are many, its sea's rough and cold.
But Scotsmen wear kilts like their fathers of old.

Verse 5:

Northern Ireland lies over the cold Irish Sea,
There's dancing and singing and fine poetry.
There are villages and farms, green fields and rain;
For the warmth of the people you'll go back again.

Chorus:

On a trip to the UK you can see many sights,
Check on the Internet and book your flights.
Visit Ireland, Scotland, England and Wales:
The journey will leave you with many fine tales.

Jessica started sailing when she was eight. Her family lived on a boat for five years. Jessica's mum loved reading adventure books to her children. One of these books inspired Jessica. When she was only twelve, she decided to sail around the world.

Jessica departed from Sydney on 18 October, 2009. She sailed her pink ten-metre boat called Ella's Pink Lady. Jessica returned to Sydney 210 days later, three days before her seventeenth birthday. It was an amazing journey!

My brother Justin and I spent a week on a 19th-century farm together with eight other boys and girls. For seven days, we lived and worked with the Jones family on their farm. In the evening, Mr Jones played the fiddle and Mrs Jones sang traditional songs. We learned some traditional folk dances.

FOR AND AGAINST SCHOOL UNIFORMS

Most British students who go to a state secondary school have to wear a uniform. In the past, a school uniform was quite formal, almost like an adult suit. Now uniforms are more casual. They generally consist of a T-shirt or polo shirt, a sweatshirt or pullover, trousers for boys and a skirt for girls and shoes or trainers. Some schools prefer uniforms because students look the same and it is difficult to see who is rich and who is poor. But some students say that they want to wear different styles and colours.

Here's what some British teenagers say: 

Anna:
'I think wearing a uniform makes me look smart and grown up.'

Mike:
'Uniforms don't show your personality.'

Steven:
'Sometimes uniforms are really expensive.'
